ATTEND THE WALK

Join thousands of people in recovery, their families and friends for the biggest gathering of recovering people in Europe as we walk through Blackpool to the Tower Ballroom celebrating and advocating for recovery.

CELEBRATE RECOVERY MONTH

Each September in the UK, thousands of people in recovery as well as projects and services celebrate their successes, and recovery itself, by organising and taking part in events throughout the country. See the website for our official UK Recovery Month Events Calendar for more.

GET INVOLVED, CELEBRATE & WEAR SOME PURPLE

Anyone can get involved. You can join the Walk, attend the many events around the country, speak to us, your local recovery organisation or just wear something purple to show your affinity!
