

FRIENDS OF CORONATION HALL, MUCKHART

100 CLUB

To the Residents of Muckhart and surrounding areas,

The Lottery funded renovation of our fine Coronation Hall is now more than 13 years old and is showing signs of its almost continual use. The Hall is a wonderful facility and one which we need to continue to preserve and maintain properly into the future. It has provided a focus for village clubs, community meetings and social events, both public and private, since 1911.

The Hall committee aims to keep rental charges at a reasonable level, particularly for the voluntary organisations that use it. Hire income alone is not enough to ensure a level of funds that would maintain the Hall to its present high standard. To enable us to do this, we are inviting residents in Muckhart and surrounding areas to join the '100 Club' which is now entering its tenth successful year.

How does it work?

When you join the club, you fill in a standing order for the payment of £4.00 a month or £48 a year. If you prefer, you can make an annual payment by cash or cheque (this is not available for monthly payments). Your chosen number is then entered into the monthly draw, which will always be witnessed by a local group or business. There is only one prize every month.

What do you get in return?

For the equivalent of **£1 a week**, every month you have the chance to win

£100

Throw away your lottery tickets, this is much better odds!

You probably benefit from using the Coronation Hall, now you can contribute to its upkeep and have the chance to win a substantial amount of money as well.
